

PLEASE JOIN US FOR OUR CHARTER PTA MEETING!

We are pleased to announce that a meeting will be held on **December 15, 2016 at 6:30 at Jennie Reed Elementary School (library)**, for the purpose of voting to become a Special Needs Parent Teacher Association (PTA) for the entire Tacoma School District, serving public, private, home school and charter school students in Tacoma.

On May 15, 2016, a group of dedicated parents of children with special needs met on the Skyline Elementary playground and made it a goal to start a Special Needs PTA in Tacoma. In September, a steering committee was established to complete the items necessary to make this happen. Please join us on December 15th as we elect officers for our new PTA, approve the standing rules that will guide our association, and approve a budget.

After the official vote to become a PTA, attendees will be asked to become charter members of the newly established PTA.

We invite you to attend and take part in this special and important occasion. If you plan on attending, please RSVP to this event. If you have any questions, or need more information on membership, please contact Sue Leusner at tsnpta@yahoo.com.

Regards,
Tacoma Special Needs PTA, Steering Committee
