We are walking for our Bridge The Gap grant fund. This fund supports students with special needs in the Tacoma School District and the teachers/staff who work with them. The money raised will go directly into classrooms across the district and help impact the learning experience in our schools. Thank you for sponsoring your walker in the 2018/19 TSNPTA Walk-A-Thon! Please join us on the 19th to cheer on our students and meet other families.
