Our Lap-a-Thon is dedicated to our Bridge The Gap grant fund. This fund supports students with special needs in the Tacoma School District and the teachers/staff who work with them. The money raised will go directly to applicants across the district as needs arise and help impact the learning experience in our schools. Thank you for sponsoring your athlete in the 2019/20 TSNPTA Lap-A-Thon and please join us on the 16th to cheer them on and meet other families.
